# ABOUT ERSMERONZ

Bannari Amman Institute of Technology (BIT), one of the top most institutions in India, was established with the singular objective of disseminating technical knowledge on par with global standards to the rural community in southern India. The Department of Electronics & Instrumentation Engineering is organizing ERSMERONZ'24 - A National Level Student Techno Fest during March 01 & 02 2024.

This is set to be a groundbreaking national-level techno fest that promises to be a convergence of brilliance, creativity, and cutting-edge advancements. Ersmeronz is poised to be a platform where the brightest minds from across the nation come together to showcase their ingenuity and contribute to the ever-evolving landscape of technology. This fest is not just a gathering; it's a celebration of ideas, a nexus where professionals, researchers, and enthusiasts collaborate to explore the frontiers of technology.
